Re: John J. Kennedy
Our File Number: 753240

Dear Sir or Madam:

This letter is written on behalf of Mr. John J. Kennedy. He advises that you have tortuously interfered in his business and have been making extreme verbal and written false allegations about him regarding his personal and professional life, and that of his family, friends and associates, which have resulted in severe economic loss to him and his company. To date, he reports there are more than fifty (50) libelous and slanderous remarks that you have made about Mr. Kennedy and his family.

Mr. Kennedy demands that you cease and desist from all these activities immediately and remove all defaming websites and blogs that you and your associates have created about him and his family within twenty-four (24) hours.

Mr. Kennedy further advises that you, and other associates of yours, deliberately induced Mr. Kennedy into business relationships with the express purpose of confiscating his intellectual properties, including the Royal Critters/Whale Magic Project, Monstrance Mystery Series, Murder at the Shangri 'La: The Cecilia Madeline Kennedy Story and other intellectual properties which he is the creator, and owner of many copyrights and trademarks and other legal registrations.

Mr. Kennedy reports that you and your associates have infringed on numerous copyright and trademarks owned by Mr. Kennedy and have ignored previous demands to cease and desist from these infringements and all illegal activities.

Mr. Kennedy also reports that you have been harassing, stalking and cyber-stalking him relentlessly, and have hacked into his emails, websites, computers and phones to stalk him, and steal his business secrets and confidential information of his family, friends and associates.

Mr. Kennedy also reports that you have stolen his identity and that of his deceased sister, Cecilia Madeline Kennedy, and have created emails and a fraudulent corporation using various derivatives of his name (i.e. Johl J. Kennedy, Jon J. Kennedy and John J. Kennedy).

Mr. Kennedy reserves the right to pursue any and all legal and equitable remedies which he is entitled, including damages and the recovery of reasonable costs and attorneys' fees.

PLEASE GOVERN YOURSELF ACCORDINGLY.

Sincerely,

Bill Tompkins
Attorney at Law
